CONFIRMATION NAME SELECTION

Your name gives you an identity.

Now that you are about to be confirmed, it is time to choose the name you will take as a sign of your growth in faith. Since Confirmation is an extension of Baptism you may wish to reaffirm your baptismal commitment by using your baptismal name (if that of a saint). Otherwise you could take the name of a person whom you admire – a person who gives (or gave) witness to Christ's love in the world. The only limit that is placed on your choice is that it must be a saint's name (or a variation of that name).
