Partner-in-Faith Prayer
Heavenly Father, we ask your blessings and protection on the people of Sacred Heart Parish. We, your children at St. Patrick's, invoke your name on their behalf. We are grateful for all you have given us and in return we are mindful of those who have less than we do. Bless us all and keep us close to you. May the example of your Son, Jesus Christ, be the strength that will make us one in you. This we ask through Jesus Christ our Lord. Amen.

Cardinal's Appeal 2017

Revamping Our Ministry to the Homebound

First just an overview:

Everyone who is prevented from joining with us on Sundays because of age or sickness would have the possibility of receiving Holy Communion on each and every Sunday.

Ideally, the person prevented from joining with us in the Church would watch the celebration of the Mass on television and then be brought the Blessed Sacrament by an Extraordinary Minister of Holy Communion.

Then on First Fridays, the parish priests would visit every home bound parishioners in order to offer the Sacrament of Reconciliation (confession) with receiving Holy Communion; and when appropriate to administrate the Sacrament of the Anointing of the Sick.

Concrete steps needed to implement this Ministry:

It would very helpful if a parishioner would step forward who would volunteer to coordinate this Parish Ministry to the Homebound.

Then there must be people willing to donate about one half hour of the precious time on Sundays. If enough people volunteer, then it is possible that each Extraordinary Minister of Holy Communion would be called upon to do this about once a month. The EMHC would be called upon to do this about once a month.

Before the Mass begins, the EMHC sign the Sick Call Book and place a Pix on the Credence Shelf. During the Rite of Communion, a consecrated Host would be placed in the Pix. After the final Blessing and before the actual dismissal, the EMHC would be called forward to receive the Pix. Once in the hand, The EMHC leaves the Church without bowing. After all, the EMHC is carrying Jesus himself and therefore any bowing or genuflection would be inappropriate.

The EMHC would proceed directly to the person's home. There should be no stopping along the way nor is the consecrated Host ever to be taken to the EMHC's home, so that it may be brought to the person later in the day.

Once in the home, there should be a table covered with a cloth and a burning candle when possible. There might also be a glass of water to help the person swallow the Host. The Pix would be placed on the cloth and the EMHC would lead the aged or sick in a very short prayer service and then give the person Holy Communion.

When a parishioner becomes terminally ill, than a Mass of Viaticum would be celebrated in the home of the sick person with as many of the family members as possible. After this, an Extraordinary Minister of Holy

Communion would bring Viaticum daily and once a week the priest might offer the sacraments of Penance and Anointing of the Sick.

Now what?

Are you ready to buy into this idea of an active Ministry to the Home bound members of our parish?

To begin, we need a coordinator and then we need people who would be willing to receive the training necessary to become an Extraordinary Minister of Holy Communion. If you are interested in helping to create this openness to our homebound, please call Julieann at the parish office (234-3344) and give your name and contact information. When everyone is back in the fall, the clergy will offer the necessary training, and have our local Dean, Msgr. Joseph Giandurco appoint you for a term of three years.

The next step would be to have those willing to receive Holy Communion on Sundays to call the rectory and submit their names and addresses. A simple spreadsheet should be easy to maintain making sure that everyone is covered both on a weekly basis and for First Friday visitation.

WORDS OF POPE **FRANCIS**

LORD, SAVE ME!

Only people who have suffered in some way can save one another-exactly as the Twelve Step Program discovered. Deep communion and dear compassion is formed much more by shared pain than by shared pleasure. Only those who have tried to breathe under water know how important breathing really is, and will never take it for granted again. They know what they have been saved from, and the only ones who develop the patience and humility to ask the right questions of God and of themselves. Only the survivors know the full terror of the passage, the arms that held them through it all, and the power of the obstacles that were overcome. All they can do is thank God they made it through!
